IR Global Rankings Top 5 Best IR
Website in Greater China, 2009

IR Global Rankings feedback report indicates that SKFH’s IR website has excellent navigability. It not only provides complete information on corporate governance, credit ratings, social welfare and shareholding structure, but also enables investors to fully understand the Company’s business strategies and business outlook for the coming year.

Senior Vice President Sunny Hsu (left) represented SKFH in receiving the IR Global Rankings “Gold Award” for the Best IR Website in Taiwan, 2011.

Shin Kong Financial Holding (SKFH) began participating in the IR Global Rankings evaluation in 2009. The Company was awarded as one of the "Top 5 Best IR Website in Greater China" in 2009 and was awarded the "Gold Award" for the Best IR Website in Taiwan" in 2010 respectively. In 2011, SKFH overcame intense competition to win the "Gold Award" for the Best IR Website in Taiwan" in 2011 for the second time. The Company is greatly honored by and grateful for the affirmation of its investor relations performance by the international organization IR Global Rankings over the past three consecutive years. Looking ahead, SKFH will work hard to maintain the outstanding quality and service of its IR website and continue to provide an investor-friendly and easy to use operating interface and full information disclosure. In addition, the Company will strive to promptly update the website content to further improve financial transparency and ensure the accuracy and suitability of external information disclosure.
